# Yusra Nadeem

## *Front End Developer*

✉ yusrazai241@gmail.com     ☎ +92 3337742772     in [/in/yusra-nadeem-458883218/](/in/yusra-nadeem-458883218/)

Dynamic and innovation-driven professional with a solid foundation in computer science, specializing in front-end development. Adept at leveraging technical expertise to develop interactive interfaces that captivate users. Eager to contribute to projects that push the boundaries of web development and enhance user engagement.

## Experience

**Web Developer Intern at Prodigy InfoTechs**    *2024*

- Developed dynamic and responsive web projects including landing pages, portfolios, a weather app, and a stopwatch using HTML, CSS, and JavaScript
- Gained hands-on experience in front-end development techniques such as CSS animations, JavaScript event handling, and DOM manipulation
- Enhanced understanding of web technologies and practical applications, laying a strong foundation for future career growth as a web developer

**Web Developer Intern at Codsoft**    *2023*

- Developed engaging projects including landing pages, personal portfolios, and a calculator using HTML and CSS.
- Collaborated closely with the team to brainstorm ideas, address challenges, and refine project features.
- Gained practical experience in front-end development techniques, focusing on creating seamless user experiences and visually appealing interfaces.
- Enhanced problem-solving skills and coding proficiency through hands-on project work and mentor feedback, contributing to my growth as a web developer.

## Courses & Certifications

**React Basics (Coursera)**    *2023*

**React Native (Coursera)**    *2024*
